WHEREAS, as the Philippine focuses up to the challenges and opportunities of globalization in the 21st Century, farming is undoubtedly one of the key strategies for accelerating the development and enhancing the global competitiveness in rural areas;

WHEREAS, Pudtol being a rural Municipality is very dependent to agriculture products considering the vast agricultural lands which we consider the major asset of this Municipality as majority of our constituents are engaged in farming;

WHEREAS, some of our farmers are already using modern farming machineries however, they are very much bothered in bringing out their products to the market as they still need to hire carabao owners to pull the products through the muddy under develop Farm to Market Roads thus; they incur additional unavoidable expense that greatly affects their possibly good return of investments;

WHEREAS, considerable solutions on this particular problem of farmers had been addressed by the Pudtol LGU officials, yet inefficiency of funds is felt hence the need to
